REPORT  
OF THE  
SCHOOL BOARD  
OF THE  
TOWN OF MASON,  
FOR THE YEAR ENDING IN MARCH, 1889.

## REPORT.

---

The teachers employed the past year, with one exception, were experienced and all, as far as we know, have given good satisfaction. We wish that all of the parents realised how much the teacher's success depends upon their hearty cooperation. If they would but impress upon their children the importance of punctuality in attendance, of obedience to the rules, and correctness in their recitations, much more might be accomplished than is oftentimes now possible. Parents we ask you to work with us that we may receive all the benefit we ought from our long terms of school, and show that we appreciate the generosity of those who have kindly left us such legacies.
